1. Validity

- 1.1 The KBX-TMTM shall apply to deliveries of machines, spare parts and services, (collectively "**Delivery**"), which LEONHARD KURZ BENELUX B.V. ("**KURZ**") provides on the basis of a contract concluded between KURZ and a business customer ("**Customer**"). The Customer and KURZ collectively are hereinafter referred to as "**Parties**" or individually as "**Party**".
- 1.2 Deviating terms from the KBX-TM shall not apply unless KURZ has expressly agreed to them in writing.
- 1.3 In the event of a conflict or textual interpretation that is different between the English, French or Dutch version of the KBX-TM, the Dutch version of the KBX-TM takes precedence.
- 1.4 The KBX-TM shall apply in the context of a continuous business relationship also for future business between KURZ and the Customer, even if, in individual cases, KURZ did not expressly refer to the inclusion of the KBX-TM at the time of conclusion of the contract.
- 1.5 Amendments to the contract shall be made in writing.

2. Offer

- 2.1 The description of the quality of the Delivery is exclusively and conclusively defined in the respective Technical Specification ("**TS**").
- 2.2 KURZ reserves all rights of ownership and copyright of documents included in the offer irrespective of the data carrier (e.g. illustrations, drawings, plans, construction documents etc.).
- 2.3 A pre-contractual performance during the offer stage that KURZ provides on request of the Customer (e.g. stamping dies, support fixtures etc.) shall be invoiced by KURZ, even where no contract is subsequently entered into by the Parties.
- 2.4 The offer of KURZ is binding for a period of 90 calendar days from the date of the offer.

3. Terms of Delivery, Transfer of Risk

- 3.1 Delivery shall be EXW (EX WORKS) KURZ Incoterms® 2020 ("**Place of Delivery**").
- 3.2 Prices are net prices in EUR (euro), including the necessary packaging plus additional cost for packaging on request of the Customer and plus the current value added tax (VAT) in force at the time of delivery without further deductions.
- 3.3 For a Delivery less than EUR 50,00 net price, KURZ charges a minimum quantity surcharge in the amount of EUR 15,00.
- 3.4 Partial delivery is allowed unless it is unreasonable to accept for the Customer.
- 3.5 The transfer of risk to the Customer shall take place at the time KURZ provides the Delivery at the Place of Delivery. This shall also apply to free delivery as well as to delivery that will be dispatched or collected on the request of the Customer. In case the Delivery will be dispatched the Customer shall bear the costs incurred thereby (e.g. transport, insurance, customs).

4. Reservation of Self-Delivery

In the event that the Delivery is not available because KURZ has not received deliveries from its own suppliers or the delivery stock of KURZ is depleted, KURZ is entitled to make a Delivery which is equivalent in quality and price to the contractually agreed Delivery. If this is not possible, KURZ may rescind the contract.

5. Terms of Payment, Setoff, Right of Retention

- 5.1 Unless otherwise agreed, the invoice of KURZ is due for immediate payment without any deduction.
- 5.2 Insofar as the contract contains no information on the terms of payment, the following shall apply: 1/3 down payment upon receipt of the order confirmation, 1/3 as soon as the Customer is informed that the Delivery is ready for dispatch, the remaining amount after receipt of the Delivery and invoice. Invoices for spare parts shall be payable in full upon receipt by the Customer.
- 5.3 The Customer can only set off a counterclaim against a claim of KURZ or exercise the right of retention if its counterclaim is undisputed or confirmed by a final and unappealable judgment.
- 5.4 If the Customer is in default of payment, suspension of payment, opening or applying for bankruptcy, insolvency or composition proceedings or rejection of such due to non-existing assets, protest of a bill, valuation of the Customer with a high business risk by a recognized information or rating agency, or in the event of comparable sustainable reasons which suggest the Customer's insolvency, KURZ is entitled to demand immediate payment of all claims which are not yet due. In addition, KURZ is entitled to make each Delivery subject to an advance payment.

6. Delivery Period

- 6.1 Observance of the agreed delivery period is conditional on the timely receipt of complete documents, necessary permits and approvals, especially of plans to be provided by the Customer as well as fulfillment of the agreed terms of payment and other obligations by the Customer (e.g. advance payment, partial payment). In case these conditions are not fulfilled on time, the delivery period shall be extended accordingly; this shall not apply if KURZ is solely responsible for the delayed Delivery.
- 6.2 If non-observance of the delivery period is due to events such as natural disasters, mobilization, war, terrorist acts, computer virus and further attacks by third parties on the IT-system of KURZ despite compliance of KURZ with the safety precautions of the usual security measures, riot, strike, lock-out, impediments resulting from Dutch, US-American and other applicable national, European or international foreign trade laws, breakdowns in production or other plant interruptions, traffic problems or other comparable circumstances for which KURZ is not responsible ("**Force Majeure**"), the delivery period of KURZ shall be extended reasonably. Should any event of Force Majeure last for a period of more than 60 calendar days, the Customer or KURZ shall be entitled to rescind the contract in whole or in part. In such case no Party shall have a right to seek damages against the other Party. This shall also apply if any event of Force Majeure occurs at the time when KURZ is in delay with the Delivery.
- 6.3 Further claims and remedies of the Customer due to the delayed Delivery in particular indirect or consequential damages, loss of profit or loss of production are excluded. This shall not apply in case of liability of KURZ based on intent or gross negligence.
- 6.4 The Customer shall only be entitled to rescind the contract provided that KURZ is solely liable for the delayed Delivery and the Customer has set an adequate delivery period to KURZ within KURZ has to supply the Delivery and such delivery period has expired. A change in the burden of proof to the detriment of the Customer shall not be implied hereby.
- 6.5 At the request of KURZ the Customer shall declare within a reasonable period whether the Customer will rescind the contract due to the delayed Delivery or insist on the Delivery.

7. Retention of Title

- 7.1 The Delivery shall remain the property of KURZ until each and every claim against the Customer to which KURZ is entitled under its business relationship has been duly satisfied ("**Secured Goods**"). The Customer shall not damage, modify, remove, or make illegible any number, sign, nameplate, company and/or brand name or other marking affixed by KURZ. If the value of all the security rights of KURZ against the Customer exceeds the value of the secured claims by more than 10 %, KURZ shall release a corresponding part of the security rights at the request of the Customer. KURZ shall have the right to choose which of the security rights shall be released.
- 7.2 For the duration of the retention of title, the Customer is prohibited from giving the Secured Goods in pledge or transferring the Secured Goods as security. In case of a seizure of the Secured Goods or other acts or interventions by any third party relating to the Secured Goods, the Customer shall immediately inform KURZ thereof in writing. If legitimate interest has been substantiated by KURZ, the Customer

shall give KURZ the information necessary to assert the rights towards such third party and the Customer shall hand over the necessary documents to KURZ.

- 7.3 The resale of the Secured Goods by the Customer to its client in the ordinary course of business shall only be permissible on conditions that the Customer receives payment from its client or retains title so that the property in the Secured Goods is transferred to its client only after fulfillment of the client's obligation to pay the Customer.
- 7.4 Should the Customer resell Secured Goods, the Customer assigns to KURZ herewith the claims (including VAT) the Customer will have against his clients out of the resale, including any collateral rights and all balance claims, as security, without any further special declarations being necessary by KURZ. If the Secured Goods are sold together with other items and no individual price has been agreed with respect to the Secured Goods, the Customer shall assign to KURZ such proportionate fraction of the total price as is attributable to the price of the Secured Goods invoiced by KURZ. KURZ herewith accepts such assignment. The duty of KURZ to release security rights shall remain unaffected.
- 7.5 If the Customer has sold its monetary claim as part of genuine factoring, then the claims of KURZ become due immediately and the Customer assigns to KURZ the claims that replaced the sold monetary claim against the factor and forwards his sales proceeds to KURZ without delay. KURZ herewith accepts such assignment.
- 7.6 In the event that the Customer is in breach of an obligation, in particular, a default of payment, KURZ is entitled to rescind the contract and to take back the Secured Goods, after the expiration of a reasonable period within which the Customer shall rectify the breach. The Customer is obliged to return the Secured Goods to KURZ. The legal provisions which dispense of the requirement to set a deadline in case of a serious and/or final refusal of performance shall remain unaffected.
- 7.7 In the event that the Customer is in breach of an obligation, in particular, a default of payment, the enforcement of retention of title and the taking back of the Secured Goods associated therewith does not require a rescission of the contract by KURZ. The aforementioned actions or seizure of the Secured Goods shall not constitute a rescission of the contract by KURZ, unless expressly stated by KURZ.
- 7.8 The Customer shall be entitled to collect any outstanding receivables from the resale of Secured Goods until revocation by KURZ. In the event of an important reason, in particular delay in payment, suspension of payment, opening or applying for bankruptcy, insolvency or composition proceedings or rejection of such due to non-existing assets, protest of a bill, valuation of the Customer with a high business risk by a recognized information or rating agency, or in the event of comparable sustainable reasons which suggest the Customer's insolvency, KURZ shall be entitled to revoke the Customer's right to collect receivables for Secured Goods. In addition, upon prior warning that the assignment by way of security will be disclosed or that the assigned receivables will be utilized, and observing a reasonable period of time, KURZ may disclose the assignment by way of security, utilize the assigned receivables and demand that the Customer discloses the assignment by way of security to its clients.

8. Warranty for Material Defects

- 8.1 In case a Delivery does not match with the quality of the respective TS at the time of transfer of risk ("**Material Defect**"), at its discretion KURZ shall within the statute of limitations either repair free of charge or provide replacement free of charge ("**Supplementary Performance**").
- 8.2 The quality of the Delivery is defined conclusively in the respective TS. KURZ shall not be liable for a Material Defect relating to qualities and characteristics not specifically mentioned in the TS. It is the sole liability of the Customer to examine the suitability of the Delivery for the intended use. In case the Customer requests additional tests which were not included in the respective TS, these shall be agreed separately in writing and paid by the Customer.
- 8.3 Claims for Material Defect of the Customer against KURZ are subject to a statute of limitations of 12 months upon Delivery or, as far as the Parties have agreed in the contract, after acceptance. In case of a delayed Delivery or acceptance by the Customer due to reasons KURZ is not responsible for, the statute of limitations shall expire 18 months after the receipt by the Customer of the notification of the readiness for dispatch of the Delivery at the latest. This shall not apply in case of liability based on intent or gross negligence. The statutory provisions on suspension and recommencement of limitation period shall remain unaffected.
- 8.4 A Supplementary Performance by KURZ, leaves the aforementioned period of twelve (12) months in 8.3 unaffected.
- 8.5 The Customer shall give a written notice of Material Defect to KURZ immediately. The notice of Material Defect shall include information relating to the data of the respective Delivery (e.g. offer, delivery note, invoice, blanking plate: batch number, bar code).
- 8.6 Insofar as the Customer grants KURZ no opportunity for Supplementary Performance within a reasonable period of time, KURZ is exempted from liability for Material Defect.

- 8.7 In the event that Supplementary Performance fails, the Customer shall be entitled to rescind the contract or to reduce the respective price of the Delivery.
- 8.8 There shall be no claim for Material Defect by the Customer in cases of an insignificant deviation from the agreed quality, negligible impairment of usability, natural wear and tear or damages which arose after transfer of risk as a result of faulty or negligent handling, excessive strain, unsuitable production facilities or operating resources, or particular external influences which were not specified in the contract or unsuitable foundation, as well as for not reproducible software defects. If the Customer or third parties make improper modifications or repair work on the Delivery, there are also no claims for defects in respect of these and the resulting consequences.
- 8.9 The Customer shall have no claim with respect to expenses incurred in the cause of Supplementary Performance, especially transport, road, labor and material costs, to the extent that expenses were increased because the Delivery was subsequently brought to another location than the Place of Delivery.
- 8.10 Claims for damages due to a Material Defect are conclusively regulated in 10.
- 8.11 Any further claims or claims other than those stipulated in 8. or 10. of the Customer against KURZ due to a Material Defect shall be excluded. The right of the Customer to rescind the contract shall remain unaffected.
- 8.12 Insofar as the Delivery comprise software, the Customer shall be granted a non-exclusive right to use the respective software including its documentation for the use of the Delivery.
- 8.13 The Customer may only copy, edit or translate the software or convert its object code to source code to the extent as stipulated in the Dutch Copyright Act. The Customer shall neither remove the manufacturer's details, in particular, copyright note, nor shall the Customer change them without explicit prior written approval of KURZ.
- 8.14 All other rights concerning the software and its documentation including copies thereof shall remain with KURZ. Sublicensing by the Customer shall not be permissible.

9. Warranty for Defects in Title

- 9.1 Unless otherwise agreed, KURZ shall provide the Delivery free from industrial property rights, copyrights of third parties and/or any other third party right ("**Third Party Right**") with respect to the country at the Place of Delivery. KURZ is not liable for damage suffered by the Customer if the Customer is sued by a third party for breach of a Third Party Right by the Delivery, unless there is intent or gross negligence on the part of KURZ.
- 9.2 In the case of a liability according to 9.1, KURZ shall at its option and free of charge for the Customer either obtain a right to use the Delivery, modify the Delivery so as not to infringe the Third Party Right or replace the Delivery. If this is not possible for KURZ at reasonable conditions, the Customer shall have the right to rescind the contract or to negotiate a discount on the net price of the Delivery.
- 9.3 The fulfillment of the obligations in 9.2 shall be subject to the condition that the Customer immediately notifies KURZ in writing of the claims asserted by the third party, that it does not acknowledge an infringement and that the protective measures and settlement negotiations are implemented by KURZ. If the Customer ceases to use the Delivery to reduce the damage or for other important reasons, the Customer shall make it clear to the third party that the suspended use does not mean acknowledgment of an infringement of a Third Party Right.
- 9.4 Claims of the Customer shall be excluded if the Customer is liable for the infringement of the Third Party Right.
- 9.5 Claims of the Customer shall also be excluded if the infringement of the Third Party Right was caused by specific demands of the Customer, by use of the Delivery not foreseeable by KURZ or the Delivery being altered by the Customer or being used together with products not provided by KURZ.
- 9.6 In addition, the provisions of 8. shall apply accordingly to a Defect in Title.
- 9.7 Compensation claims due to a Defect in Title are conclusively regulated in 10.
- 9.8 Any further claims or claims other than those stipulated in 9. or 10. of the Customer against KURZ due to a Defect in Title shall be excluded. The right of the Customer to rescind the contract shall remain unaffected.

10. Other Liability, Damages

- 10.1 Unless this is deemed unacceptable by the standards of reasonableness and fairness and subject to intent or gross negligence on the part of KURZ, the following applies with regard to KURZ's liability. Any claim for business damage, consequential damage or other indirect damage is excluded. In all other cases, KURZ is only liable up to the amount that is paid out in the relevant case under the liability insurance policy(ies) it has taken out, plus the deductible payable by KURZ under the insurance agreement.

- 10.2 KURZ provides application guidelines and other advices to the best of its knowledge and therefore does not constitute any liability for damages by the Customer against KURZ. The Customer shall not be released from its obligation to examine the intended use of the Delivery at its sole responsibility. This shall also apply if the Customer's intended use of the Delivery is known to KURZ.
- 10.3 The liability limitations resulting from 10. shall also apply in the case of a breach of an obligation by or in favor of persons whose fault is attributable to KURZ (e.g. personal liability of employees, personnel and other vicarious agents of KURZ), but not to the personal liability of legal representatives and of executives.
- 10.4 A claim for damages according to 10., which is based on Material Defect or Defect in Title, shall be time-barred in 12 months from Delivery, unless there is a liability according to 10.1.

11. Contract Adjustment

The contract shall be reasonably adjusted in compliance with the principle of good faith where incidents of Force Majeure substantially change the commercial importance or the content of the Delivery or have a material adverse effect on the business of KURZ. Where this adjustment is not economically justifiable, KURZ shall have the right to rescind the contract. KURZ shall inform the Customer of the exercising of the rescission of the contract without delay upon awareness of the consequences of the incident, even if initially an extension to the delivery period had been agreed with the Customer.

12. Supply of the Customer

- 12.1 The Customer shall incur liability for the transfer to and the use by KURZ of the supply of the Customer agreed in the contract ("**Supply**") – irrespective of the data carrier - which infringes a Third Party Right. The Customer shall immediately indemnify and hold harmless KURZ from any corresponding claims of such third party.
- 12.2 The Customer shall deliver his Supply to the Place of Delivery at his expense. The costs of storage, maintenance, repair and disposal for his Supply shall be borne by the Customer.

13. Confidentiality

- 13.1 Each Party shall not without the prior written consent of the other Party pass to third parties information, knowledge, templates, including such documents as illustrations, drawings, plans, construction documents ("**Information**") received from the other Party. This shall not apply to Information which at the time of receipt are generally known or were already known by the receiving Party without being obliged to maintain confidentiality or were transferred by a third party lawfully in possession thereof and who has the lawful power to disclose such Information or were independently developed by the receiving Party without using any Information of the disclosing Party. Information shall be returned by the receiving Party without delay if a contract is not awarded. A right of retention by the receiving Party is excluded.
- 13.2 A third party within the meaning of 13.1 shall not be deemed to be a company affiliated with KURZ as well as a person or company entrusted with the task of performance of the contract by KURZ insofar as they have been obliged to keep confidential in an equivalent manner.
- 13.3 Neither Party shall use the Information received from the other Party for purposes over and beyond the scope of the contract between the Parties without the express prior written consent of the other Party.
- 13.4 The obligation of confidentiality shall begin upon receipt of the Information and ends 5 years after the end of the business relationship, namely the end of the last contract between KURZ and the customer.

14. Assignment

The assignment of a claim or of a right under the contract is permitted only with the prior written consent of the other Party. This shall not apply to a monetary claim.

15. Corporate Social Responsibility

- 15.1 As a member of the KURZ-Group, KURZ is committed to respect and to observe the KURZ Code of Business Conduct.
- 15.2 The Customer confirms to observe the applicable law and legislation; the Customer shall not tolerate any kind of corruption or bribe, respect basic rights and the ban on child labor and forced labor. Furthermore the Customer shall take responsibility for the health and safety of its employees, shall ensure a fair compensation and reasonable working hours, shall act in accordance with the applicable environmental laws and shall use its best efforts to promote the observance of these principles among its suppliers.

16. Applicable Law

The substantive law of the Netherlands shall apply exclusively. The United Nations Convention on Contracts for the International Sale of Goods of 11 April 1980 shall be excluded.

17. Jurisdiction

The exclusive place of jurisdiction is Arnhem, the Netherlands.
